Pay-Per-Use

With Mobilicity you get truly unlimited plans within our coverage area. But it doesn't stop there. You can also access a host of extra services on a pay-per-use basis.

Money in *My Wallet*™ can be used to access Pay-Per-Use services. Roaming is making and receiving calls and texts messages outside the unlimited coverage area in Canada and the U.S. Other pay-per-use services include making international calls, calling 411 directory assistance, and downloading ringtones, games and wallpapers.

You can deposit money into *My Wallet*™ at any time and in the same way that you would make your monthly payment. It's a good idea to always keep some money in *My Wallet*™ so it's there when you need it.
